PROGRAM DESCRIPTIONS

Guided Hike: November is Deer Hunting Season throughout Minnesota so we'll travel to a safe location for a late season hike. Some locations include Cascade State Park, Temperance State Park, and Sugarloaf Cove interpretive area. Typically the hikes range from 1-2 miles and will focus on the natural history of the area. If the snow flies, we'll gear up with snowshoes and explore the woods floating over the layer of snow.

Shuttle to Lutsen Mountain: We make it easy for your party to get to Lutsen Mountain. Our shuttle van will pick you up at your door and drop you off at the main chalet, eliminating the need for parking and walking at the Mountain. Shuttles are available between 8:30am and 5pm. *Lutsen Mountains ski season opener is scheduled for November 24th, 2011; conditions permitting.*

Sign up for activities begins 1 week before the activity.
