Minnesota Ski Pass is required for anyone age 16 or older. The Ski Pass can be purchased online at www.dnr.state.mn.us or from Clearview General Store located one mile north of the main lodge on Highway 61; \$6/ day pass and \$20/season pass. Complimentary Snowshoe Equipment: Snowshoes are available at the front desk for guest use. Adult and children sizes available. Please check out equipment only when you are using it. Trail maps are available at the front desk. Please do not snowshoe on groomed ski trails.

Weather Forecast and Trail Conditions: The current weather forecast and trail conditions can be found on the activities bulletin boards at the Main Lodge and at the Sea Villas. Get up-to-date weather information from the Activities Desk computer station. Weather along the north shore can change quickly, dress appropriately!

Area Activity Information and Trail Maps: Stop by the activities desk for more information on area activities, brochures and trail maps. Some of the most helpful brochures you will find there are the "Scenic Hikes Near Lutsen Resort and Sea Villas" brochure, and the "Shopping and Dining Guide, Grand Marais Minnesota".
