PROGRAM DESCRIPTIONS

Maple Syrup Hike: The best of both worlds – a little hiking, a little driving along colorful country roads. Join our naturalist guide for a hike to Lake Agnes through one of the North Shore’s most impressive sugar bushes. Then, sit back and relax while our naturalist drives to a local maple syrup farm for an education through your taste buds. The hike is of moderate difficulty and is approximately 2.5 miles. Maple syrup products are available for purchase from the farm’s store.

Fall Color Hike: These hikes will highlight our gorgeous fall colors. Join our naturalist for a 2-3 mile hike along the renowned Superior Hiking Trail or within our beloved State Parks. Destinations vary depending upon the season.

Lookout Mountain Hike: The North Shore’s best features – impressive waterfalls and commanding views of Lake Superior – all in one little hike. Join our naturalist guide for a moderate hike that begins at the mouth of the Cascade River. The trail follows the river upstream past some of the area’s most photographed waterfalls, then gently climbs up Lookout Mountain. Enjoy the views from the top before returning to Cascade River. The hike is approximately 2.5 miles.

Oberg Mountain Trail Run: Of course Oberg Mountain is one of those hikes not to miss, but this morning we’re going to hit the trail early and hike it as a fitness hike. Bring a water bottle, Nordic walking poles, or your favorite tunes on the I-pod.

*** Lutsen Sugarbush Point-to-Point Hike:** Moderate Hike; 6.4 miles along the SHT from Lutsen Ski Area to the Caribou Trail. While there are beautiful things to see along the Superior Hiking Trail every season, this section is especially beautiful in the autumn. The hike begins with a dramatic view of the Poplar River, and then climbs to overlooks of the ski hill and surrounding mixed deciduous-coniferous forest. We’ll eat our lunches at an “outstanding overlook” of the Poplar River valley. The hike finishes amongst the changing maples near Lake Agnes and the Caribou Trail. Bring a lunch (trail lunches can be purchased in advance from the kitchen) and plenty of water bottles.

Evening Hike: This is a fun hike that we are offering on the Superior Hiking Trail. Park at the Oberg Mountain trailhead and follow the luminaria-lit to the Onion River. We are planning to have a bonfire and s’mores at the end of the trail, fire conditions permitting.

Kids Pizza & Movie: Kids ages 4 and up are welcome to join us for delicious pizza and a favorite children’s movie. Parents – this is a great opportunity to enjoy dinner on your own! Ages 4 and up. Reserve your spot up to five days before the activity!

Nature Craft: Let the beauty of nature inspire your craftiness! This is a fun activity for all ages, and it usually takes about 15 minutes. We will make candles, soaps, bird houses or other interesting items.

Live Music: Enjoy the harmonies of regional acoustic singer-songwriters as you relax in the comfort of our Main Lodge lobby. Featured artists include Bill Isles, Michael Monroe, Bump Blomberg, Nathan Baker, Eric Frost, James Moors, and Joe Paulik.
