

North Shore Winery

The North Shore is known for its scenery and now its wine. These two beautiful things have finally come together in Lutsen at the North Shore Winery for you to enjoy. Chuck and Kim Corliss have been working on this North Shore addition since purchasing the land on Ski Hill Road in 2012. The Winery currently offers eight wines and three hard ciders made with fruit from both Minnesota and California. The Winery uses a classic approach to winemaking with the red wines aged in French oak, and the white wines blended to be light and crisp. The hard ciders use Minnesota apples, and incorporate local maple syrup and berries adding a local flair. The Winery and Cider House opened July 1 and is open daily from 11 a.m. to 7 p.m. Explore more by visiting www.northshorewinery.us.
